
**DIAGNOSTIC SERVICES OF MANITOBA
BOARD OF DIRECTORS POLICY**

Policy Name: DSM Values **Number:** GP-2
Policy Type: Governance Process **Date:** November 7, 2007

The Board of Diagnostic Services of Manitoba affirms the following values and declares the expectation of itself and others within the organization that these values shall be the standard against which our actions shall be measured:

We believe in **INTEGRITY** and are committed to being open and honest with our partners in the workplace and the people that we serve.

We believe in a **SHARED VISION** and will work with our staff and partners to ensure that a clear understanding of this vision informs all of our planning and work.

We believe in **SERVICE EXCELLENCE** and encourage all members of the organization to seek creative, innovative and original solutions to the challenges of providing diagnostic services.

We believe in **COLLABORATION** and are committed to working together with others within DSM and with our partners to deliver services in the most effective manner, recognizing and respecting the different needs and priorities of those with whom we work.

We believe in demonstrating **PERFORMANCE ACCOUNTABILITY**, to each other and to the people we serve.
