

Bridging Program Success

DSM's Bridging Program began as a pilot in 2007. In following years the program expanded its intake to six seats. Program graduates are happy to be using their skills and expertise as MLTs in Canada.

“ = k Ug' VrbUXYbh' hUh' = k Ug' [c]b[' hc' pass and that I had studied the right material ”

-2008 Bridging Graduate, Ramil Nevalgas

The Bridging Program was honoured with a 2010 Workplace Essential Skills and Employee Development Award, presented by the Human Resources Management Association of Manitoba as part of their annual Excellence in Leadership Awards. The program was recognized for its demonstrated success in raising the skill level of employees through job-related training and lifelong learning.
